

CITY OF HALLANDALE BEACH

EROSION AND SEDIMENTATION

CONTROL AGREEMENT

Construction Sites Greater Than One (1) Acre

For construction sites larger than one (1) acre, a storm water pollution prevention plan (sedimentation and erosion control plan) must be developed and implemented to be in compliance with state laws. The storm water pollution prevention plan (SWPPP) shall be completed prior to the submittal of the Notice of Intent (NOI) to the State of Florida.

The contractor must fill in the attached NOI form (Attachment A).

The contractor must pay with the NOI fees as required by the State of Florida Department of Environmental Protection (FDEP). The contractor must make checks payable to the Florida Department of Environmental Protection.

- For Large Construction (more than 5 acres of land) the fee is \$300.
- For Small Construction (between 1 and 5 acres) the fee is \$150.

All State submittals must be mailed to:

NPDES Storm Water Notices Center, MS #2510
Florida Department of Environmental
Protection 2600 Blair Stone Road
Tallahassee, Florida 32399-2400

These requirements are State implemented. The City of Hallandale Beach (City) administers the program. The contractor must keep a copy of the notice of intent at the construction site and a copy of the SWPPP plans at the construction site.

Engineering Department must receive copies of the NOI, the SWPPP plans and of the check that was paid to the State.

During construction, the City will perform inspections and keep records of all inspections performed.

All construction entrances shall provide an area where mud, dirt, soil can be removed from construction vehicles tires before they enter a public road. Tire washing system shall be provided, and provisions must be made to intercept the wash water and trap the sediment before it is carried offsite. The wash areas and the washing system must be shown in the construction plans submitted for the building permit. In case that the dirt, mud, soils are dragged into the public roads, the contractor is responsible to wash and sweep every time this occurs.
