Background and information for HBCRA:

The Hallandale Beach Community Redevelopment Agency (HBCRA) was established on December 27, 1996. The purpose for establishing the Hallandale Beach CRA and the Redevelopment Trust
Fund was to serve as a partner to the City, to other government entities, and to the private sector in addressing the distressed conditions in the redevelopment area. As a result, the City has undertaken ambitious improvements to include roads and infrastructure, beautifying neighborhood streets, parks, development and restoration of a Historical Village and providing many residential and commercial programs and opportunities. The CRA Redevelopment Area is bound to the north by Pembroke Road, to the South by the Dade-Broward County line, to the west by interstate 95 and to the east by NE 14th Avenue and the 14th Avenue Canal.

The HBCRA is an Executive Director/Board of Directors form of partnership. It serves an area of approximately 75% of the City of Hallandale Beach. The HBCRA’s fiscal year begins October 1 and ends September 30th. The HBCRA is bound by Florida Statutes Chapter 163, Part III, and Resolution No. 2012-05.

The HBCRA provides the following services to its residents:

Pension Plans

The City maintains three separate defined benefit retirement systems; the Police/Fire Plan, General Employees Plan and the Professional/Management Plan. The Police/Fire plan is administered by a separate Board of Trustees, while the General Employees Plan and the Professional/Management Plan utilize the City Commission as the Board. In all plans the City is responsible for funding liabilities based upon actuarial valuations. The City auditors are required to issue an opinion that includes the General Employees Plan and the Professional/Management Plan. The Police/Fire Plan is separately audited by an independent auditing firm, Kabat Schertzer De La Torre Taraboulos & Company.

Component Units

The Hallandale Beach Community Redevelopment Agency (CRA) is legally separate from the City of Hallandale Beach. The CRA is reported as part of the primary government, because their sole purpose is to finance and redevelop the City’s redevelopment area. The CRA’s financial balances and transactions are incorporated with those of the City in accordance with Governmental Accounting Standards Board (GASB) Statement No. 14, “The Financial Reporting Entity” (as amended by GASB Statement #34, 39 and 61). The CRA transactions are included as a major fund of the City’s audit and covered by this RFP. The CRA also issues a separate stand-alone financial statement. The cost for the CRA audit and stand-alone report should be priced separately as described in Section 8 Cost Proposal.

Computer Systems

The Department of Innovation Technology provides information system design and support, computer program development and enhancement, microcomputer support, telecommunications and area network services and support to City departments. The City of Hallandale Beach’s financial applications (General Ledger, Accounts Payable, Purchasing, Budget Preparation) utilize the Tyler Systems Munis software, operating on a Windows server platform.

7. The auditor will offer, at no expense to the City and HBCRA, an annual government-training seminar to the City and HBCRA accounting staff. This seminar will be offered locally and award eight (8) hours of CPE credits per staff member.

8. The auditor will attend the City Commission and HBCRA Board of Directors meetings, at which time the audit report will be submitted for acceptance. The auditor will be available to present the report or to respond to City Commission and HBCRA Board of Directors’ questions as needed.

Performance Standards

1. All responses to any City and HBCRA questions or inquiries should occur within two (2) business days of notification to auditor.

2. The auditor shall turn around review comments to drafts of the financial statements within ten (10) business days from the receipt of such drafts.

1. Working papers and reports are the property of the auditor and must be retained, at the auditor’s expense, for a minimum of three (3) years, unless the firm is notified in writing by the City of the need to extend the retention period. If verification of references is not available or unable to respond within two (2) business days from email request, the reference shall not be considered valid and the points for references will be affected.

Please make sure that the references listed in your firm’s response are aware they will be receiving a verification of reference email from the City of Hallandale Beach to confirm the reference which was submitted with the firm’s proposal.

Each firm must also list the following information for each of the references provided:

- Name of agency for which work was provided.
- Name of Reference charged with managing said project.
- Type of audit. Year audit started and was completed.
- Total cost of audit, including additional charges
- Phone # for Reference).
- Updated email address for Reference.

8. **Cost Proposal**

The cost proposal will be evaluated based on the **Grand Total All Inclusive Maximum Price** seen in the Cost Proposal Sheets below on pages 22-23. The Cost Proposal Sheets must be utilized for the submission of your firm’s Cost. Cost Proposal will be evaluated utilizing the equation seen in the example below:

**EXAMPLE**

- Lowest Cost Proposed gets Total Points = 30 points
- Lowest Cost submitted is $100,000 and the Proposer’s Proposed Cost being evaluated is $150,000 = So $100,000 /$150,000 = .70
- .70 * total # of points for cost criteria which is 10 = .70 * 30 = 21 which would be the total # of points this Proposer’s cost would receive.

9. **Local City of Hallandale Beach Vendor Preference (LVP):** See Exhibit III for further details.
