That we, ________________________________________________________, as PRINCIPAL, and ________________________________________________, as SURETY, are bound to BROWARD COUNTY, as the Obligee (hereafter "COUNTY"), a political subdivision of the State of Florida, in the full sum of __________________________ Dollars ($________________________), for payment of which PRINCIPAL and SURETY jointly and severally bind ourselves, our successors, assigns, and personal representatives:

SEALED with our Seals, this _____ day of ______________________, 20__.

WHEREAS, PRINCIPAL entered into a contract with the City of _____________ for the completion of a public works project consisting ____________________________________________; and

WHEREAS, PRINCIPAL has applied to COUNTY for a permit, hereafter "Permit," to ____________________________________________________________ [insert detailed description of work], hereafter "Improvements," within certain streets, subdivisions, or other areas within Broward County, known and identified as: __________________________________________; and

WHEREAS, approval of the Permit by the COUNTY is conditional upon the furnishing of adequate security to the COUNTY; and

WHEREAS, PRINCIPAL has agreed to furnish a good and sufficient bond, conditioned upon the proper installation of said Improvements in accordance with the Permit and aforesaid plans and specifications; NOW THEREFORE,

PRINCIPAL, SURETY, and COUNTY agree as follows:

A.  CONDITIONS OF BOND:

The condition of this obligation is such that if the said PRINCIPAL, its successors, legal representative, or assigns, shall install the Improvements according to the Permit and approved plans and specifications, and other requirements established by the Broward County Highway Construction and Engineering Division, and do all incidental work in connection therewith, including the restoration, reconstruction, and repair of all street paving, shoulders, drainage swales, etc., overlying or adjacent to said Improvements; and if all required fees have been paid to COUNTY and all provisions of
specifications, standards, and other regulations currently in effect have been complied with; then this Bond shall remain in full force and effect for at least one (1) year after the installation of the Improvements has been accepted by the Broward County Highway Construction and Engineering Division. PRINCIPAL shall contact COUNTY for an inspection of the work not more than thirty (30) days prior to one (1) year after acceptance by COUNTY. If such inspection discloses no deficiencies in the installation of the Improvements or damage resulting therefrom, then this Bond shall be released; otherwise, this Bond shall remain in full force and effect.

B. DEFAULT:

PRINCIPAL and SURETY jointly and severally understand, in the event the PRINCIPAL fails or refuses to complete the obligations required by the Permit and this Bond, the COUNTY has the right to:

1. demand that the SURETY promptly remedy the default; or

2. demand payment by the SURETY of the amount due to COUNTY, up to the face amount of this Bond, by letter signed by the County Administrator, or a designee, stating that the PRINCIPAL has defaulted on PRINCIPAL’s obligations as set forth in the Permit and this Bond, which obligations were a condition of Permit approval; or

3. institute an immediate suit against SURETY to recover the full amount of this Bond for the purpose of completing the obligations set forth herein.

Any notice to COUNTY that this Bond will expire prior to performance of PRINCIPAL's obligations shall be deemed a default.

PRINCIPAL AND SURETY jointly and severally understand that failure to complete the obligations required by the Permit and this Bond, in accordance with any time periods set forth therein, or at the latest, to commence or recommence completion of the obligations within thirty (30) days after written notice by the County Administrator, or a designee, to PRINCIPAL and SURETY to do so, shall be deemed to be a failure and refusal to complete such obligations.

PRINCIPAL and SURETY also understand that in the event COUNTY elects to institute suit against SURETY, and the funds recovered thereby prove insufficient to complete the obligations required by the Permit and this Bond, the PRINCIPAL shall be liable hereunder to pay to COUNTY any sums required to complete the obligations hereunder, including, but not limited to, legal and contingent costs, together with any damages, direct or consequential, which COUNTY may sustain because of PRINCIPAL's failure to comply with all of the requirements hereof.
