The purpose of the Egret Lift Station Rehabilitation Project is to improve the resiliency and capacity of the Egret Drive lift station (lift station #1) located at the intersection of Egret Drive and Poinsettia Drive. The rehabilitation of the project will protect public health and the coastal environment by reducing the risk of failure during flood and storm conditions.

The City is soliciting public comment on the project. Persons wanting to submit written comments on the application should send them to Noemy Sandoval, Grants Manager at nsandoval@hallandalebeachfl.gov, or by mail to 400 S. Federal Highway | Hallandale Beach, FL 33009 no later than September 10, 2020.

A copy of the final application is available upon request after September 14, 2020, by contacting Noemy Sandoval, Grants Manager. The application will be submitted to DEO on or before September 14, 2020.

About the Rebuild Florida General Infrastructure Program (GIP): The GIP program is designed to provide funding to units of general local government (UGLG) such as municipalities and counties, state agencies, non-profits, and non-governmental organizations to implement innovative, collaborative, multi-jurisdictional or large-scale mitigation activities that reduce previously-identified hazard risks for local communities to withstand emergency-related challenges better. These regional investments include, but are not limited to, upgrading of water, sewer, solid waste, communications, energy, transportation, health, and medical and other public infrastructure projects. DEO has allocated $475,000,000 in CDBG-MIT funding for the GIP program.

JENORGEN M. GUILLEN, CMC
CITY CLERK
